DESIGN A BADGE!

Your design could be chosen to be used on a special badge to celebrate the 110th birthday of Cubs!

◆ The badge can be round and final size will be 75mm diameter. Draw your design in the circle above.

◆ The theme of the badge should be based on the celebration of 110 years of Cubs. The design must include 'GILLINGHAM', '110', 'CUBS', '1916-2026' and the Scout fleur de lis (as shown on right).

◆ Keep your design bold, simple and avoid fine detail. Use no more than six different colours in your design and remember that the background of the

badge does not have to be white.

◆ Please write your Name, Age and Scout Group on the back of the sheet and hand in your completed design to your Leader **no later than 26th June 2026**.
